

CONSTRUCTION AND DEMOLITION DEBRIS PROGRAM

Community Development Department Building Division

600 East A Street Dixon, CA 95620

Construction and Demolition (C&D) Debris

Under State Law, all C& D Projects must recycle or reuse 65% of their waste debris.

- If you self-haul your debris; you must provide documentation (weight receipts) showing that your debris were recycle and not buried in a landfill.
- If you have your service provider haul your waste, please contact your appropriate service provider for additional information and pricing.

Procedures

Step 1	Decide whether to self-haul your C&D waste or use a Recycling provider in your area. <ul style="list-style-type: none">• If you use your service provider, complete Form A• If you haul materials yourself, complete Form B.
Step 2	Fill out the appropriate C&D Debris Diversion Plan form and submit it to the Building Division with the building permit application .
Step 3	For Recology Haul: Fill out (Form A) of the C&D Diversion Report Form or use Recology third party reporting company (Sierra Waste.)
Step 4	For Self Haul: Fill out (Form B) and Recycle the C&D debris generated from your project and save the weight receipts from the land fill/transfer station.
Step 5	Submit your C&D Diversion Report Form and the weight receipts BEFORE scheduling your final inspection. Completed C&D Report forms and receipts may be submitted to the City of Dixon Building Division office.

Where to recycle waste materials from my project if I decide to self-haul?

New Construction	Permitted Structures
Demolition	Permitted Structures
Additions	Non-Residential Building Additions 1,000ft or Greater
Alterations	Building Alterations with Permit Valuation of \$200,000 or above
Isolated Jobsites	Alternate waste reduction methods may apply (see "Exceptions to 5.408.1.1 and 5.408.1.2")
Tier 1	65% Construction and Demolition Waste Diversion
Tier 2	80% Construction and Demolition Waste Diversion
Residential Compliance Methods	65% C&D Waste Diversion and may be required to submit a construction waste management plan (4.408.2) or utilize a waste management company (4.408.3)
Low-Rise- 3 stories or less	65% C&D Waste Diversion or 4 lbs/ft ² disposal
High-Rise-4 stories or more	65% C&D Waste Diversion or 2 lbs/ft ² disposal
New construction	Permitted Structures
Demolition	Permitted Structures
Additions	Yes
Alterations	Yes
Tier 1	65% C&D Waste Diversion
Tier 2	80% C&D Waste Diversion
CALGreen applies to projects that require a permit from a local agency.	
<p>Every three years the California Building Standards Commission adopts new and/or updated model codes. Effective January 1, 2019, CALGreen mandates permitted new residential and non-residential building construction, demolition and certain additions and alteration projects to recycle and/or salvage for reuse a minimum 65 percent of the non-hazardous construction and demolition waste generated during the project (CALGreen Standards Code sections (301.1.1 and 301.3 4.408, 4.408.1,4.408.2, 4.408.3 & 5.408.1.1, 5.408.1.2 or 5.408.1.3)</p> <p>New construction and demolition projects with a combined weight of construction and demolition waste disposed of in landfills, which do not exceed 3.4 lbs per square foot of the building area shall meet minimum 65 percent construction waste reduction requirement in Section 4.408.1</p>	
<p>Additions to non-residential buildings or structures of at least 1,000 square feet or alterations with an estimated construction cost of at least \$200,000 shall divert from landfills at least 65 percent of nonhazardous C&D materials. Additions and alterations to residential buildings that increase the structure's conditioned area, volume or size are also required to meet the 65 percent minimum diversion requirement.</p>	

FORM A

CONSTRUCTION & DEMOLITION DEBRIS DIVERSION PLAN
****Use of Solano County Hauler****

Applicant to submit completed Plan as part of the building permit application before permit approval to:
600 East A Street, Dixon, CA 95620 or building@cityofdixon.us

(Check one box) Pre-Construction Plan Pre-Demolition Plan

Today's Date:
Owner/ Applicant Name:
Project Address:
Type of Project: (Example Demo, bath remodel, res. addition)
Telephone: _____ Email: _____

Project Type: (Check one box)

Single-Family Project Multi Family Project Commercial Project
