NEGATIVE DECLARATION

Name of Project: 2022 Amendments to the City of Dixon Engineering Standards and Specifications

Location of Project: Citywide

Project Developer: Citywide

Description of Project: Pursuant to provisions of City Ordinance, Chapter 7, Article II, the City of Dixon Engineering Standards and Specifications shall be amended by resolution of the City Council of the City of Dixon.

The City of Dixon Engineering Standards and Specifications apply to all public right-of-way construction work in the City of Dixon, including contracts awarded by public entities subject to inspection and administration by the City of Dixon Engineering Department, contracts awarded by other parties for future dedication or incorporation under indirect inspection by the City of Dixon Engineering Department.

DECLARATION

On January 12, 2022, the City Engineer determined that the above project will not have a significant effect on the environment and a negative declaration will be prepared for the project. The City Council of Dixon will consider the adoption of the negative declaration, along with the project determination on February 15, 2022, at 7:00 p.m., in the Council Chambers, 600 East A Street.

The determination was based on the following findings-the proposed project will not have a significant adverse effect on the environment in the following areas:

1. It will not have the potential to degrade the quality of the environment.
2. It will not achieve short-term environmental goals to the disadvantage of long-term environmental goals.
3. It will have no impacts which are individually limited, but cumulatively considerable.
4. It will not cause substantial adverse effects on human beings, either directly or indirectly.

CITY COUNCIL ACTION:

Negative Declaration was confirmed, and adopted on February 15, 2022;

City Engineer/Director of Utilities, City of Dixon
