- Sand Bags Available
- Updates from City Hall
- Preventing Theft this Holiday Season
- Recology Changes & How to Save Money on Your Bill

PREVENTING PACKAGE THEFT THIS HOLIDAY SEASON

The Dixon Police Department is asking residents and visitors to remain aware of package thieves this holiday season and take preventative measures to reduce the chances of becoming a victim. We recommend that you keep an eye on package tracking, using friends or neighbors when unavailable, or selecting a staffed delivery location provided by the delivery company.

During the month of December, members of the Dixon Police Department will be conducting various operations throughout the City focused on package/mail theft, theft-related crimes, and other crimes of opportunity. We will use GPS tracking, bait packages, and plainclothes officers to prevent, deter, and apprehend persons engaged in this criminal activity.

Residents suffering a theft of delivered packages or other property are encouraged to report these incidents to the Dixon Police Department at 707-678-7070. Any resident concerned with package theft or suspicious activity in their neighborhood is encouraged to contact the Investigations Bureau at 707-678-7070. We are seeking locations for our bait packages. Concerns or suggestions can be forwarded via email at DPDrecords@dixonpolice.org.

UPDATES FROM CITY HALL

DOWNLOAD OUR MOBILE APP

The City of Dixon has a mobile app, available in the Apple Store & Google Play Store. FixinDixon has moved to the new app and the old "FixinDixon" app is no longer be active. To download the new app, visit your device's app store and search for "City of Dixon".

The City of Dixon app allows you to report an issue; receive up-to-the-minute local announcements; view the City calendar, meeting agendas, and recreation activities; and access key public safety services such as burn permits, alarm permits, and police report requests.

Download the free app today!

New Mandatory Organics/Recycling

Services and Cost-Saving Options

WHAT IS SENATE BILL 1383?

Senate Bill 1383 (SB1383) is a law enacted by the State of California that requires all residents to divert organic materials (including: food waste, yard waste and soiled paper products) from the landfill.

HOW DOES THIS CHANGE MY SERVICE?

To comply with the law, Recology and the City of Dixon expanded your services to include organics/food waste collection, which includes new vehicles and drivers to collect the material. This resulted in an 18% rate increase for all customers.

In addition, all customers must have recycling services to comply with the law. Customers who had previously opted out of recycling service will now receive blue recycling carts.

HOW CAN I REDUCE MY NEW BILL?

Senior Service Option, which entails a 20% discount on monthly bills for customers 62 years and older or disabled, effective October 1, 2022.

32-Gallon Solid Waste Carts, which allows customers to reduce their overall bill by subscribing to less landfill service.

Free Landfill Passes: Starting January 1, 2023, residential customers will receive a free landfill pass each year, allowing them to dispose of up to 1,000 pounds of material at no charge.

To learn about what's accepted in your program, please visit [Recology.com/Dixon](https://www.Recology.com/Dixon)
