JOIN THE CITY FOR COASTAL CLEANUP SEPTEMBER 17

The City of Dixon is participating in Coastal Cleanup Day on Saturday, September 17.

Bottle caps, food wrappers, and other debris are often washed into storm drains where they flow untreated into our creeks and rivers, and eventually the ocean. By picking up litter in your neighborhood, you can stop trash that would otherwise flow into the ocean.

Join us September 17 at the Industrial Storm Pond Basin at 600 Industrial Way, Dixon from 9:00am-12:00pm. Please bring gloves, a bucket or trash bag, and trash grabbers if you prefer to use them.

To volunteer contact Leland Markusen at lmarkusen@cityofdixon.us.

NEW CITY OF DIXON MOBILE APP

The City of Dixon has a new mobile app, available in the Apple Store & Google Play Store. FixinDixon has moved to the new app and the old “FixinDixon” app will no longer be active. To download the new app, visit your device's app store and search for “City of Dixon”.

The City of Dixon app allows you to report an issue; receive up-to-the-minute local announcements; view the City calendar, meeting agendas, and recreation activities; and access key public safety services such as burn permits, alarm permits, and police report requests.

PROVIDE YOUR INPUT: DRAFT HOUSING ELEMENT

Did you know every City in California has a Housing Element that evaluates housing needs and how to meet those needs?

Housing Elements are required to be updated at least every eight years, in accordance with a statewide update cycle. The City currently has a certified Housing Element for 2015-2023. As the end of the 8 year cycle nears, the City has embarked on an update to prepare for the next Housing Element cycle, which will cover 2023 through 2031 and is required to be completed by January 31, 2023. This is the 6th Cycle Update.

The Draft Housing Element has been released for public review. Review the draft and submit your comments by Monday, September 12, 2022 at 5:00pm.

The Planning Commission and City Council will consider the draft Housing Element at their respective meetings on Tuesday, September 13, 2022 and Tuesday, September 20, 2022.
