## CITY RECEIVES GRANT FROM SOLANO COMMUNITY FOUNDATION

The City of Dixon would like to thank the Solano Community Foundation for grant support of our Senior/Multi-use Center (SMUC). This funding, made possible through the United Way Health Endowment Fund, has allowed us to enhance the educational and recreational opportunities available to seniors within the City of Dixon.

Staff purchased audio visual equipment to facilitate special interest presentations for seniors, including a CHP Drive Well Age Smart presentation. The funding also provided new furniture for community spaces and supplies for classes and the Busy Bee Sewing & Crafts Circle.

We are grateful for the funding we have received from the Solano Community Foundation and their support of our senior community.
