# DIXON READI-RIDE CELEBRATES 40 YEARS OF SERVICE

---

The City of Dixon Read-Ride Transit Service is proud to celebrate 40 years of providing safe and reliable transportation to the residents of Dixon.

In April 1983 the City established Read-Ride to provide dial-a-ride transit service with one nine-passenger van. In the first year, Read-Ride completed 2,960 rides. In 2010, through grant funds from proposition 1B Public Transportation Modernization Improvements and Service Enhancement Account, Dixon Read-Ride purchased two new wheelchair accessible mini vans designed for a Paratransit Intercity Service.

Over the past 40 years, Read-Ride has grown to a fleet of eight 20-passenger buses, two mini vans and an 8-passenger bus for paratransit. At its peak in 2019, the system provided 61,726 rides a year, averaging 246 rides per day.

“We would like to take this opportunity to thank our passengers, staff, and City Council for their support over the years,” said Transit Supervisor Vicki Jacobs, “We look forward to serving our community for many years to come.”

Read-ride currently provides door-to-door transit service within Dixon city limits between the hours of 7:00am-12:00pm and 1:00pm-4:00pm Monday, Tuesday, Thursday and Friday and Wednesday between 7:00am-11:00am and 12:00pm-4:00pm. Read-ride also provides paratransit services to Davis and Vacaville to eligible individuals. Residents can call (707) 678-5020 to request a ride.

# SOLANO COUNTY LAUNCHES KNOW YOUR ZONE CAMPAIGN

The Solano County Office of Emergency Services together with our public safety partners are excited to announce the “Know Your Zone” campaign, a collaborative effort between Zonehaven, and Solano County, including all seven cities, which aims to better prepare residents and businesses for emergencies and evacuations.

To find their zone, residents can enter their address into the interactive map on Zonehaven AWARE at [community.zonehaven.com](http://community.zonehaven.com) using the search bar in the upper left. This will open a popup window, which includes the zone name and information about the zone. Residents and businesses should record the names of all the zones they frequent--such as home, work, school, or homes of loved ones--and keep them in a visible place. Use the “Subscribe to Alerts,” button, located under the “Community Links” section, to sign up for emergency notifications through Alert Solano.

Zone names, in addition to the zone boundaries, will be used in emergency notifications, so knowing the name of your zone is critical to staying informed during an emergency. In the event of an emergency, first responders and other public safety officials will use Zonehaven to assist in issuing evacuations. From there, officials will publish evacuation orders and zone statuses to Zonehaven AWARE ([community.zonehaven.com](http://community.zonehaven.com)) and send emergency notifications via Alert Solano.

Residents can see up to date information about their zone through the Zonehaven AWARE platform. Remember to always follow directions from emergency responders.

Follow your local emergency response agencies on social media and be sure to “Know Your Zone.”
